

Computer and Internet Usage Permission Form

For students in grades 1-8

Emmanuel Lutheran School has computers that are available for students use. These computers allow students to prepare class work and give them access to the vast resources available through the Internet. The use of Emmanuel Lutheran School computers is a privilege and not a right. Any student using Emmanuel Lutheran School computers agrees to the policies set forth by the school.

Computer Usage

Computers are used by students during school days at specified times. The use of the computer at this time should be purely academic and not recreational. At no time is the computer to be used by students without staff supervision.

Please take care when using the computers to avoid damage to the hardware or software. No food or drink, with the exception of water, is allowed near the computers.

E-Mail

Students may not use the school computers to send personal e-mail to family and friends. ELS computers will only be used for student email when part of a class project supervised by a staff member.

Internet

Students at ELS will have the opportunity to make use of the blessings of living in the information age. With the use of this blessing also comes responsibility. Student use of the internet should be done in a God-pleasing manner. Visiting social networking sites (i.e. Facebook) and viewing questionable or unwholesome material should be avoided. Students are not allowed to do any on-line purchasing or downloading of any type of material when using school computers. Any misuse of the internet will result in the loss of computer privileges.

Instant Messaging

Students using ELS computers may not use instant message at any time.

We understand and agree to abide by the guidelines set forth in the above paragraphs. We further understand that violation of this agreement could result in the loss of computer privileges at Emmanuel Lutheran School.
