

School Tuition Organizations (STOs) Information

- An STO receives taxpayer donations and awards funds to students as tuition scholarships.
- Apply to as many STOs as possible. The current school year application may still be open. It may not be too late to apply!
- All applications are submitted once a year and remain valid for that current school year.
- Scholarships are not guaranteed, but can be based on need, student recommendations and other factors.
- Each STO has its own procedures, applications, due dates and award periods.
- Students can receive multiple fund scholarship awards from different STOs.
- Each STO has great ideas and sample letters on how to find and ask donors.
- Donate for your own tax credits to benefit an Emmanuel student..
