

Emmanuel Lutheran School and Sonshine Preschool are using FACTS Management Company to collect tuition payments. Just a reminder, a convenience fee will be charged by FACTS for credit card payments. No convenience fee is assessed for checking or savings auto drafts.

All families are required to enroll with FACTS for tuition payment plans as soon as possible even if you are anticipating tax credits coming in.

Go to www.elstempe.org

Click on the FACTS Tab

To be considered for any financial aid from Emmanuel, follow the same enrollment process and click on the link in blue located on the home page, "Apply for Financial Aid with FACTS"

There is a \$30 fee application fee and documentation of financial information is required.

Please contact Mr. Campbell or the bookkeeper for any questions.
