

Student Photo Release Form 2018-2019

Only one form per family is required.

Today's Date: _____

Emmanuel Lutheran School occasionally publishes pictures of students involved in school activities. Publications may include the ELS website, emails, the ELS weekly newsletter and school promotional materials such as brochures, DVDs, flyers, newspaper ads, and such.

The yearbook is a school publication and is not covered by this photo release form. This student's photo will appear in the yearbook regardless of your selection below.

Please note the following:

- Any picture of this student posted to the website, whether team/group or individual will not include personal information (name, grade, etc.).
- Some of these pictures may be action shots or candid shots taken during participation in an event. Other pictures may be staged for specific purposes.
- Formal group shots (such as athletic teams, choirs, or band) are posted to the website with the team identified, but not individual names. If you do not want this student to be included in a group picture on the website, it will be up to the student to remove himself/herself from the group during the photo shoot. The group photo will not be withheld from the website because of one or two students.
